1. (10 puan) Maria is a whirlwind of energy. She's always on the go, juggling multiple projects, and her enthusiasm is infectious. She has bright, curious eyes and a quick smile. However, her boundless energy sometimes leads her to be a bit impulsive, making decisions without fully considering the consequences. She's also fiercely independent and dislikes being told what to do, which can sometimes come across as stubbornness. Despite these minor flaws, her friends adore her for her adventurous spirit and unwavering loyalty.

Which of the following statements provides the MOST nuanced and complete understanding of Maria's character?

- A)** Maria is an energetic and loyal friend, but her impulsiveness makes her unreliable.
- B)** Maria is a highly independent and adventurous person, whose energetic and sometimes impulsive nature is balanced by her loyalty.
- C)** Maria's stubbornness and impulsiveness overshadow her positive traits, making her difficult to be around.
- D)** Maria is an enthusiastic and adventurous individual, but her lack of consideration for consequences makes her a poor leader.

2. (10 puan) Ayşe: "I like spending time with my friends and going to parties."
